Ananke IT Solutions named one of Microsoft's Most Influential Partners in the Americas.

Providence, Rhode Island- September 16, 2008.

Ananke IT Solutions announced today that it has been selected by software giant, Microsoft Corporation, as one of 250 Partners from more than 100,000 Partners in the Americas, to attend the Microsoft Executive Partner Summit (EPS) Americas 2008 in Redmond, Washington this fall.

This exclusive, invitation-only event brings together 250 CxO-level officers of Microsoft's most influential partners in the Americas. Partner executives were nominated by Microsoft District Partner Account Managers, and the Top 250 List was finalized at Microsoft's corporate headquarters.

John Conway, President & CEO of Ananke, Inc. will represent Ananke at the event. "I am honored to be among the few selected", said Mr. Conway. "This recognizes the efforts we make to differentiate ourselves from other IT services companies and reflects the level of commitment we have to our clients, the quality of our work, and the strength of our relationship with Microsoft."

At the Executive Partner Summit, Microsoft and Partner executives will share business strategies and market objectives, visions for the future, and opportunities for new and unique ways to serve clients. It is anticipated that this summit will help provide a road map for the future development of offerings best suited to meet the needs of enterprise clients.
