Ananke IT Solutions Welcomes Senior Consultant, T.J. Saotome

PROVIDENCE, RHODE ISLAND –June 4, 2009.

Ananke, Inc. announced today that T.J. Saotome has been brought on as a Senior Systems Engineer. T.J. is an IT professional with over 20 years of hands-on IT operations management and strategy development experience.

T.J. was educated in the classical engineering discipline: Electrical Engineering and Computer Science, graduating from Worcester Polytechnic Institute in Massachusetts.

As a past co-owner of an IT operations outsourcing company in Rhode Island, T.J. has been in charge of developing service and product offerings, leading business development activities, conducting product selection, and offering IT strategy consulting for local small and medium-size businesses.

John Conway, President & CEO of Ananke, Inc. states that “ We are pleased to have such a seasoned professional on board. T.J.’s experiences will support Ananke Inc. in facilitating and maximizing our IT investments”.

About Ananke IT Solutions

Ananke is a leading Microsoft Gold Certified Partner and Information Technology Solutions company headquartered in Providence, Rhode Island. Since 1994, Ananke has grown by providing reliable, affordable, high quality professional services, managed services, and staffing services to some of the largest companies in the world.

With a diverse team of seasoned technology experts, Ananke brings a wealth of intellectual property and expertise across all industries with services such as infrastructure architecture, network security management, project implementation, migrations, outsourcing, staffing, helpdesk, datacenter services, and much more. Ananke’s clients range from small local and midsize regional companies to large global enterprises.
